

Call for Participation

OUR SAINTS – an art project

CONCEPT

Bildungshaus St. Hippolyt (www.hiphaus.at in St. Pölten, Austria) gladly welcomes all artists who would like to occupy themselves with a holy or an exemplary person. "Saints" as far as concerned in this art project include not only canonized people but all kinds of exemplary people or paragons.

Participating artists occupy themselves with a chosen „saint“ and display their work of art in one of the „Our Saints“-exhibitions that take place in Bildungshaus St. Hippolyt every second year.

The aim of "Our Saints" is not only to form a permanent art project but also to set up a touring exhibition with some of the contributed works of art.
